

## Job Advertisement Student Assistant

At the Cluster of Excellence Centre for Tactile Internet with Human-in-the-Loop (CeTI) we are looking for a SHK (max. 19h/week) at the earliest possible date.

### Your tasks:

- You will support us in the Program Office with our daily tasks such as appointment coordination, event management and office activities such as meeting minutes
- You support and accompany events like Girls' Day, Dresden Science Night or visits of school classes at our Robotic Lab
- Together with us, you will supervise external school visits and introduce students to Tactile Internet and our research

### Your Profile:

- You are structured, reliable, but also flexible and independent
- You are a team player
- You are interested in current research questions
- You have technical know-how
- Enrolled student, subject area open
- Very good German and English language skills

### Your Benefit:

- You get insights into current research
- You can apply your knowledge practically
- You work in an open, interdisciplinary team

Apply with your curriculum vitae and a short cover letter (stating the number of hours you wish to work) until 30.03.2020 at [recruiting.ceti@tu-dresden.de](mailto:recruiting.ceti@tu-dresden.de) .
